SOIL FROM BAKER BEACH DISTURBED AREAS 3 AND 4
TRUCK # 16 LICENSE # 14939

16. **GENERATOR'S CERTIFICATION:** I hereby declare that the contents of this consignment are fully and accurately described above by proper shipping name and are classified, packed, marked, and labeled, and are in all respects in proper condition for transport by highway according to applicable international and national government regulations.

If I am a large quantity generator, I certify that I have a program in place to reduce the volume and toxicity of waste generated to the degree I have determined to be economically practicable and that I have selected the practicable method of treatment, storage, or disposal currently available to me which minimizes the present and future threat to human health and the environment; OR, if I am a small quantity generator, I have made a good faith effort to minimize my waste generation and select the best waste management method that is available to me and that I can afford.

Re: Native Sand W/ Vegitation from 34 Graham Street, SAN FRANCISCO
SWIC 06042

This certification is in reference to the Native Sand W/ Vegitation from the above referenced site, managed by The Presidio Trust, for disposal at Ox Mountain Landfill

As the person or party responsible for designating the above referenced material as clean, I certify that no contaminants have been introduced into this material by agricultural, commercial and/or industrial means.

I also certify that no deliberate or willful omissions of composition or properties of the waste exists; all known or suspected hazards have been disclosed to the appropriate landfill personnel; and the waste is not designated a Hazardous Waste by the US EPA or State of California.

Please contact Jennifer Yala at (415) 561-4272 should you have any questions or concerns regarding the disposal of the referenced material.

Sincerely,

(signature) Jennifer A Yala (print name) 9/27/04 (dated)

Re: Native Sand W/ Vegitation from 34 Graham Street, SAN FRANCISCO

SWIC 06042

This certification is in reference to the Native Sand W/ Vegitation from the above referenced site, managed by The Presidio Trust, for disposal at Ox Mountain Landfill

As the person or party responsible for designating the above referenced material as clean, I certify that no contaminants have been introduced into this material by agricultural, commercial and/or industrial means.

I also certify that no deliberate or willful omissions of composition or properties of the waste exists; all known or suspected hazards have been disclosed to the appropriate landfill personnel; and the waste is not designated a Hazardous Waste by the US EPA or State of California.

Please contact Jennifer Yaia at (415) 561-4272 should you have any questions or concerns regarding the disposal of the referenced material.

Sincerely,

(signature) (print name) 9/27/04 (date)

Individually and as representative for
The Presidio Trust

Re: Native Sand W/ Vegitation from 34 Graham Street, SAN FRANCISCO

SWIC 06042

This certification is in reference to the Native Sand W/ Vegitation from the above referenced site, managed by The Presidio Trust, for disposal at Ox Mountain Landfill

As the person or party responsible for designating the above referenced material as clean, I certify that no contaminants have been introduced into this material by **agricultural, commercial** and/or **industrial** means.

I also certify that no deliberate or willful omissions of composition or properties of the waste exists: all known or suspected hazards have been disclosed to the appropriate landfill personnel; and the waste is not designated a Hazardous Waste by the US EPA or State of California.

Please contact Jennifer Yats at (415) 561-4272 should you have any questions or concerns regarding the disposal of the referenced material.

Sincerely,

(signature) (print name) 9/27/04 (date)

Re: Native Sand W/ Vegitation from 34 Graham Street, SAN FRANCISCO
SWIC 06042

This certification is in reference to the Native Sand W/ Vegitation from the above referenced site, managed by The Presidio Trust, for disposal at Ox Mountain Landfill

As the person or party responsible for designating the above referenced material as clean, I certify that no contaminants have been introduced into this material by **agricultural, commercial and/or industrial means.**

I also certify that no deliberate or willful omissions of composition or properties of the waste exists: all known or suspected hazards have been disclosed to the appropriate landfill personnel; and the waste is not designated a Hazardous Waste by the US EPA or State of California.

Please contact Jennifer Yaiz at (415) 561-4272 should you have any questions or concerns regarding the disposal of the referenced material.

Sincerely,

(signature) (print name) 9/27/04 (date)

Re: Native Sand W/ Vegitation from 34 Graham Street, SAN FRANCISCO
SWIC 06042

This certification is in reference to the Native Sand W/ Vegitation from the above referenced site, managed by The Presidio Trust, for disposal at Ox Mountain Landfill.

As the person or party responsible for designating the above referenced material as clean, I certify that no contaminants have been introduced into this material by agricultural, commercial and/or industrial means.

I also certify that no deliberate or willful omissions of composition or properties of the waste exists; all known or suspected hazards have been disclosed to the appropriate landfill personnel; and the waste is not designated a Hazardous Waste by the US EPA or State of California.

Please contact Jennifer Yaus at (415) 561-4272 should you have any questions or concerns regarding the disposal of the referenced material.

Sincerely,

Signature (print name) 9/27/04 (date)

Re: Native Sand W/ Vegitation from 34 Graham Street, SAN FRANCISCO
SWIC 06042

This certification is in reference to the Native Sand W/ Vegitation from the above referenced site, managed by The Presidio Trust, for disposal at Ox Mountain Landfill

As the person or party responsible for designating the above referenced material as clean, I certify that no contaminants have been introduced into this material by **agricultural, commercial and/or industrial** means.

I also certify that no deliberate or willful omissions of composition or properties of the waste exists; all known or suspected hazards have been disclosed to the appropriate landfill personnel; and the waste is not designated a Hazardous Waste by the US EPA or State of California.

Please contact Jennifer Yala at (415) 561-4272 should you have any questions or concerns regarding the disposal of the referenced material.

Sincerely,

(signature) Individually and as representative for The Presidio Trust

Re: Native Sand W/ Vegitation from 34 Graham Street, SAN FRANCISCO

SWIC 06042

This certification is in reference to the Native Sand W/ Vegitation from the above referenced site, managed by The Presidio Trust, for disposal at Ox Mountain Landfill

As the person or party responsible for designating the above referenced material as clean, I certify that no contaminants have been introduced into this material by **agricultural, commercial** and/or **industrial** means.

I also certify that no deliberate or willful omissions of composition or properties of the waste exists; all known or suspected hazards have been disclosed to the appropriate landfill personnel; and the waste is not designated a Hazardous Waste by the US EPA or State of California.

Please contact Jennifer Yata at (415) 561-4272 should you have any questions or concerns regarding the disposal of the referenced material.

Sincerely,

(signature) (print name) 9/27/04 (dated)

Individually and as representative for
The Presidio Trust

Re: Native Sand W/ Vegitation from 34 Graham Street, SAN FRANCISCO

SWIC 06042

This certification is in reference to the Native Sand W/ Vegitation from the above referenced site, managed by The Presidio Trust, for disposal at Ox Mountain Landfill

As the person or party responsible for designating the above referenced material as clean, I certify that no contaminants have been introduced into this material by **agricultural, commercial and/or industrial** means.

I also certify that no deliberate or willful omissions of composition or properties of the waste exists; all known or suspected hazards have been disclosed to the appropriate landfill personnel; and the waste is not designated a Hazardous Waste by the US EPA or State of California.

Please contact Jennifer Yata at (415) 561-4272 should you have any questions or concerns regarding the disposal of the referenced material.

Sincerely,

(signature) (print name) 9/27/04 (date)

Individually and as representative for
The Presidio Trust

Re: Native Sand W/ Vegitation from 34 Graham Street, SAN FRANCISCO
SWIC 06042

This certification is in reference to the Native Sand W/ Vegitation from the above referenced site, managed by The Presidio Trust, for disposal at Ox Mountain Landfill

As the person or party responsible for designating the above referenced material as clean, I certify that no contaminants have been introduced into this material by **agricultural, commercial** and/or **industrial** means.

I also certify that no deliberate or willful omissions of composition or properties of the waste exists; all known or suspected hazards have been disclosed to the appropriate landfill personnel; and the waste is not designated a Hazardous Waste by the US EPA or State of California.

Please contact Jennifer Yata at (415) 561-4272 should you have any questions or concerns regarding the disposal of the referenced material.

Sincerely,

(signature) (print name) 9/27/04 (dated)

Re: Native Sand W/ Vegitation from 34 Graham Street, SAN FRANCISCO
SWIC 06042

This certification is in reference to the Native Sand W/ Vegitation from the above referenced site, managed by The Presidio Trust, for disposal at Ox Mountain Landfill

As the person or party responsible for designating the above referenced material as clean, I certify that no contaminants have been introduced into this material by **agricultural, commercial and/or industrial** means.

I also certify that no deliberate or willful omissions of composition or properties of the waste exists; all known or suspected hazards have been disclosed to the appropriate landfill personnel; and the waste is not designated a Hazardous Waste by the US EPA or State of California.

Please contact Jennifer Yain at (415) 561-4272 should you have any questions or concerns regarding the disposal of the referenced material.

Sincerely,
